PAIN MEDICINE & ORTHOPEDICS

Consent to Evaluation and Treatment

Thank you for choosing Moderni Clinic. Our goal is to provide personalized, evidence-based care tailored to each patient's needs.

Your Consent

By seeking care at Moderni Clinic, you consent to evaluation, examination, diagnostic testing, and treatment as deemed medically appropriate by your provider.

Treatment May Include

Medical evaluation, physical examination, medication management, diagnostic testing, imaging orders, referrals, minimally invasive procedures, and other treatments appropriate for your condition.

Your Rights

Participation in your care is voluntary. Treatment recommendations will be discussed before implementation. You have the right to ask questions regarding your diagnosis and treatment options, and you may refuse any recommended treatment at any time.

Important Information

No guarantees or assurances have been made regarding treatment outcomes. Every patient responds differently to treatment, and results cannot be guaranteed.

Acknowledgment

By scheduling and receiving services at Moderni Clinic, I acknowledge that I have read and understand this Consent to Evaluation and Treatment and consent to the evaluation and treatment recommended by my provider.

Move Better. Live Pain Free.
